

Mobilizing Ordinary People to Transform the World

Call Inc. is a non-profit Christian teaching mission dedicated to mobilizing ordinary people in Jesus' call to transform the world in the unique mission field of one's life... family, work, community, world and the gathering of believers.

*We teach ordinary people to seek, discover and "incorporate" Jesus' call into all of life.

*We train leaders to mobilize ordinary people to transform the world.

*We encourage leaders to discern their call within their call to increase their effectiveness.

*We renew "Christian churches" by mobilizing ordinary people "anointed" by the Holy Spirit and "called out" to transform the world.

THE PURPOSE: *Transform the World*
